

The Fourth Annual Meeting for Specialty Committee of Tibetan Medicine of the World Federation of Chinese Medicine Societies & 2018 Beijing International Conference on Tibetan Medicine

Time		Event	Location	Chair
Aug 3	10:00-22:00	Conference registration	Tibet Hotel	Secretary Committee
4 August 2018				
6:30- 8:00 Breakfast Buffet (Second Floor Restaurant Block A)				
8:30-10:00 Opening Ceremony Presenter: Rinchen Dhondup (Renqing Dongzhu) (Secretary General)				
1. Professional Committee Promotional Video Presentation 2. Introduce the guests 3. Leadership speech: <ul style="list-style-type: none"> A. Leadership Speech of the World Federation of Chinese Medicine Societies B. President of the Tibetan Medicine Professional Committee Speech C. Leadership Speech of China Tibetology Research Center D. Co-organizers' Leadership Speech 			Beijing International Convention Center	
10:00-10:15 Photo, Tea Break				
Keynote Speeches 10:30-12:00			Beijing International Convention Center	
10:15-10:45	Title: The Development and Innovation of Tibetan medicine Presenter: Nyima Tsering, Professor, Dean of Tibetan Medical University in Lhasa, PhD Advising Professor		Chairs: Professor Ren Xiaoqiao (Ethnic Medical Institute of Beijing University of TCM) Professor Yang Ga (Tibetan Medical University in Lhasa)	
10:45-11:15	Title: Botanicals in Integrative Cancer Medicine and Health Presenter: Omer Kucuk, MD, Professor of Hematology-Oncology and Urology, Director of Integrative Medicine Center, Winship Cancer Institute, Emory University			
11:15-11:45	Title: The Application of <i>rGyud bZhi</i> in the Memory of the World Register 2018 Presenter: Pema Yangdron, President of Lhasa Mentsikhang			
11:45-12:15	Title: Considerations for the Methodology of Inheritance and Innovation in Tibetan Medical Research Presenter: Zhangyi, Professor and Director of Ethnic medicine Innovation Center for Chengdu University of TCM			

12:15– 13:30	Lunch Buffet	Tibet Hotel, 2nd Floor Restaurant, Block A
13:30– 17:30	Applications for Specialty Committee Speakers (Tibet Hotel)	
Session on Theoretical Foundations and Literary Research in Tibetan Medicine (Conference Room 2, Level 3, Block A)		
13:30– 13:50	Title: Introduction to the Collection of Tibetan Medical Classics in the University of Wisconsin-Madison Library Presenter: Samdrub Gyal (San Zhijia), Associate Dean and Professor, Tibetan Medical College, Qinghai University	Chairs: Professor Deng Du (Southwest Nationalities University) Pema Rabten (Wanma Radan), Chief Physician (Bumrampa) (Qinghai Provincial Tibetan Medical Hospital)
13:50– 14:10	Title: Metaphors in Tibetan Medical Concepts Presenter: Katharina Sabernig, MD, PhD, Research Fellow of Medical University of Vienna, Austria	
14:10– 14:30	Title: Considerations regarding Düljong Processing of Medicinal Compounds such as Refining-Cleansing (Tsodru) Mercury Presenter: Tashi, Head Physician (Menrampa), Yushu Prefecture Mentsikhang, Qinghai Province	
14:30– 14:50	Title: Challenges and Opportunities concerning the Globalization of Tibetan Medicine: UNESCO Case Study Presenter: Mingji Cuomu, PhD, Associate Professor, Tibetan Medical University in Lhasa	
14:50– 15:10	Title: A Comparative Study of the Tibetan Medical Miscellaneous Diseases in the Dunhuang Scrolls and <i>rGyud bZhi</i> Presenter: Lhamo Kyi, Chief Physician (Menrampa), Sangchu Tibetan Hospital, Ganlho Autonomous Prefecture, Xiahe County, Gansu Province	
15:10– 15:30	Title: Survey of the Tibetan Medical Literature Research from Dunhuang Presenter: Wang Wei, Associate Researcher, Institute of Tibetan Medicine, China Tibetology Research Center	
15:30– 15:40	Tea Break	
15:40– 16:00	Title: Zur Branch Tibetan Medical Tradition and its Dissemination in Kham Presenter: Deng Du, Professor of Pharmacology, Southwest Nationalities University	Chairs: Samdrub Gyal (San Zhijia), Associate Dean and Professor Tibetan Medical College, Qinghai University
16:00– 16:20	Title: Considerations on the Role of Constructing Tibetan Medical Specialization in Hospital Development Presenter: Pema Rabten (Wanma Radan), Chief Physician (Bumrampa) and Vice President of Qinghai Provincial Tibetan Medical Hospital	
16:20– 16:40	Title: Tradition and Modernity: the Best Paths to Preservation and to Progress Presenter: Eliot Tokar , TMD, Director of the New York Tibetan Medicine Center	Mingji Cuomu, PhD, Associate Professor

16:40– 17:10	Title: The Development of Tibetan Medicine in Beijing during the Qing Dynasty Presenter: Norbu Tashi (Luo Buzha), PhD, Chief Physician (Bumram Shonpa), Tibetan Medical Research Center of China Tibet Research Institute	Tibetan Medical University in Lhasa
17:10– 17:30	Title: “I am a Tibetan doctor:” Factors in the Formation of the National-Cultural Identity of Doctors of Traditional Tibetan Medicine Presenter: Galina Kopeliovich , PhD, Lecturer, National Medical University, Moscow, Russia	
Session on Tibetan Medicine Pharmaceuticals and Contemporary Research Conference Room 1, Level 3, Block A)		
13:30– 13:50	Title: Anti-inflammatory effects of Bhutanese Medicinal Plants used in Sowa Rigpa Medicine Presenter: Phurpa Wangchuk, PhD, Researcher, Institute of Tropical Health and Medicine, James Cook University, Australia	
13:50– 14:10	Title: Evaluation of the Functional Activities, Metabolomics, and Substitution Methods for <i>Tig Ta</i> (<i>Swertia</i> spp.) in Treating Liver Conditions Presenter: Tang Li, Professor, PhD Supervisor, Vice President, School of Pharmacy, Central University for Nationalities	Chairs: Fan Gang, PhD, Professor College of National Medicine, Chengdu University of Traditional Chinese Medicine
14:10– 14:30	Title: Research Analysis on the Resources for and Chemical Constituents of <i>Ra mNye</i> (<i>Polygonatum cirrhifolium</i> and related spp.) Presenter: Cheng Sheng, Professor, National Teachers College of Qinghai Normal University	
14:30– 14:50	Title: Quality Control and Evaluation of Tibetan Medicine Based on H-NMR Analytics Technology Presenter: Fan Gang, PhD, Professor, College of National Medicine, Chengdu University of Traditional Chinese Medicine	Tsering Namjial (Cairang Nanjia), PhD, Associate Professor, Nationalities University, Qinghai Province
14:50– 15:10	Title: Research Methodologies and Applications of Drug Efficacy Evaluation and Characteristic Therapies for Tibetan, Islamic and Chinese Medicine Presenter: Liu Yuan, Professor, School of Pharmacy, Southwest Nationalities University	
15:10– 15:30	Title: Research on the Mechanism for Treating Liver Disease with ‘Yellow Flower’ (gSer gyi Me tog, <i>Herpetospermum pedunculatum</i>) Presenter: Feng Xin, PhD, Associate Research Fellow, Tibetan Medical Research Institute of the China Tibetology Research Center	
15:30– 15:40	Tea Break	
15:40– 16:00	Title: Role of Tibetan Medical Neural Disorder Treatment in Functional regulation of Ischemic Stroke (<i>gza’ grib nad</i>) Presenter: Rinchen Gyal (Renqing Jia), PhD, Associate Professor, Director of Medical Research Institute of	Chairs: Que Sheng, Professor Qinghai Normal

	Tibet Medical University in Lhasa	University
16:00– 16:20	Title: Developing Tibetan Medicine Decoctions in accordance with Hospital Medicine Compounding Conditions Presenter: Sonam (Su Lang), Associate Researcher, Director, Institute of Development and Application, Mentsikhang, Tibet Autonomous Region	Zeng Caidan Professor Qinghai University for Nationalities
16:20– 16:40	Title: The First Clinical Study of the Tibetan formula ‘ <i>Blood Proliferation Health Restorer</i> ’ (<i>khrag ‘phel bde byed</i>) as a Treatment for HAPC Presenter: Kunsang Gyal (Gengcang Jia), PhD, Associate Professor, Deputy Director, Experimental Demonstration Center, Tibetan Medical College, Qinghai University	
16:40– 17:10	Title: Analysis of the Functional Characteristics Benefitting Mind and Body from the Preparation Techniques of Tibetan Incense Presenter: Konchok Gyamtso (Gong Zengcuo), Deputy Chief Physician (Bumram Shonpa), Aru Lazang Hospital Zoige County, Aba Prefecture, Sichuan Province	
17:10– 17:30	Title: Applied Research using Data Mining Techniques to Analyze the Theoretical Framework underlying Tibetan Medicine Formulas Presenter: Tsering Namjial (Caireng Nanjia), Associate Professor, School of Pharmacy, Qinghai University for Nationalities	
Session on Tibetan Medicine Clinical Experience Research (2nd Floor, Xinzhu Hall, Block A)		
13:30– 13:50	Title: Study on the Standardization of Operations for Diagnostic and Treatment Skills in Tibetan Medicine Presenter: Drolkar Jab (Zhong Gejia), Chief Physician (Bumrampa), China Tibetology Research Center, Vice President of Beijing Tibet Hospital	Chairs: Nyagyal Tsen (Jiangji Cun), Chief Physician (Bumrampa)
13:50– 14:10	Title: Compassion and Tibetan Mind Training (<i>blo sbyong</i>) in the Age of Virtual Medicine Presenter: Surya Pierce, MD, Professor, University of New Mexico School of Medicine	Sichuan Ganzi Prefecture Tibetan Hospital
14:10– 14:30	Title: Evaluation of 38 Cases of Epilepsy Treated by Tibetan Medical Golden Needle Therapy Presenter: Sonam Ngödrub (Suolang Ouzhu), Chief Physician (Bumrampa), Director of Traditional Treatment Center of Tibetan Hospital of Tibet Autonomous Region	Dorje Rabten (Dorje Laden) Chief Physician

14:30- 14:50	Title: Health, Medicine & Stress Management Among Tibetan-Americans in the United States Presenter: Yangbum Gyal, TMD, University of Wisconsin	Golok Prefecture Tibetan Hospital, Qinghai Province
14:50- 15:10	Title: Innovation and Practice in the Tibetan Medical Clinical Treatment Presenter: Lhakhar Gyal (Lan Kejia), PhD, Chief Physician and Director of Liver-Gallbladder Department of Qinghai Provincial Tibetan Hospital	
15:10- 15:30	Title: Applied Research and Differential Diagnostic Analytics for Gastric Conditions in Tibetan Medicine based on Mixed Method Functional Theory Presenter: Rinchen Dhondup (Renqing Dongzhu), PhD, Associate Professor, Tibetan Medical College, Qinghai University	
15:30- 15:40	Tea Break	
15:40- 16:00	Title: Clinical Application of Earthen Vessel Apparatus (<i>rdza ma' i 'phrul 'khor</i>) Therapy Presenter: Nyagyal Tsen (Jiangji Cun), Chief Physician (Bumrampa), Vice President, Tibetan Medicine Hospital, Ganzi Prefecture, Sichuan Province	Chairs: Lhakhar Gyal (Lan Kejia), Chief Physician Qinghai Provincial Tibetan Hospital Dechen Pendron, Chief Physician (Bumrampa) Lhasa Mentsikhang
16:00- 16:20	Title: Discussion on the Unique Characteristics of Diagnosis and Treatment in Tibetan medicine Presenter: Tsokyi (Zuoji), Chief Physician (Bumrampa), Qinghai Provincial Tibetan Hospital	
16:20- 16:40	Title: Analysis of Methods in Discriminating by Experiment (<i>sad mda' rig pa</i>) in Tibetan Medicine Presenter: Dorje Rabten (Dorje Laden), Chief Physician Golok Prefecture Tibetan Hospital, Qinghai Province	
16:40- 17:10	Title: On the Development and Maintenance of Ophthalmology in Tibetan medicine Presenter: Chökyong Tso (Qi Jiangcao), Associate Professor, College of Traditional Chinese Medicine, Gansu University of Traditional Chinese Medicine	
17:10- 17:30	Title: Recognizing Infectious Diseases in Tibetan Medicine Presenter: Tsultrim Targye, Chief Physician (Bumrampa), Dean, Flourishing Snowland of Benefiting Beings Tibetan Medical School	
18:30-20:00 Welcome Banquet (Tibet Hotel, Building B, Group 1 Restaurant)		
5 August 2018		

Keynote Speeches 8:30–10:30		Tibet Hotel, Block B, 10th Floor, Multi-Purpose Hall
8:30–9:00	Title: History and Sources of Wind, Bile and Phlegm Presenter: Bold Sharav, PhD, Professor, Academician, President of Mongolia Academy of Medical Sciences	Chairs: Zhang Yi, Professor Chengdu University of Traditional Chinese Medicine Dolkar Ja (Zhong Gejia) Chief Physician China Tibetology Research Center
9:00–9:30	Title: Brief Discussion on the Ancient Tibetan Medicine Trade Presenter: Thupten Phuntsok, Professor, PhD Supervisor, School of Pharmacy, Southwest University of Nationalities	
9:30–10:00	Title: Analysis of the Root Commentary Small Volume on Yuthok Practices and Lively Discussion on the Medicine King Drejé (<i>sman rgyal 'bre rje</i>) Presenter: Yang Ga, PhD, Professor of Tibetan Medical University in Lhasa	
10:00–10:30	Title: Therapeutic Standardization and Application for White Channel Disorders in Tibetan Medicine Presenter: Ren Xiaoqiao, Professor and Director of Ethnic Medical Institute of Beijing University of TCM	
10:30–10:40	Tea Break	
10:40–12:00	Subcommittee Reports (Tibet Hotel)	
Tibetan Medicine Basic Theory and Historical Research (B-seat Multi-function Hall of Block B)		
10:40–11:00	Title: Unveiling the drug discovery research black box and developing a Tibetan medical theory-based approach to pharmaceutical research of Tibetan formulas Presenter: Tawni Tidwell, TMD, PhD, Ph.D. Assistant Research Fellow, Austrian Academy of Sciences	Chairs: Norbu Tashi, Deputy Chief Physician (China Tibetology Research Center) Kelsang Choklang Deputy Chief Physician, Gansu Tibetan Medicine Research Institute
11:00–11:20	Title: Discussion on the Fundamental Differences between Tibetan medicine and Traditional Chinese Medicine Presenter: Lumotso (Li Maocuo) Deputy Chief Physician China Tibetology Research Center	
11:20–11:40	Title: Discussion on the Debates regarding Ancient and Modern Tibetan Medicine Presenter: Palkon Tar (Hua Gongtai), Attending Physician (Rabjamba) Gansu Tibetan Medicine Research Institute	
11:40–12:00	Title: A Rough Analysis on the Origins of the <i>rGyud bZhi</i> Presenter: Sonam Dorje (Suonan Duojie) Deputy Chief Physician (Bumram Shonpa), Tongde County Tibetan Hospital, Hainan Province, Qinghai Province	

Tibetan Medicine Doctoral Student Forum (Conference Room 1, Level 3, Block A)		
10:40–11:00	Title: Ayurvedic Sanskrit Medical Dictionary Presenter: Rigzin (Ren Zeng), PhD Student Tibetan Medical University of Lhasa	Chairs: Rinchen Gyal, Deputy Chief Physician (China Tibetology Research Center) Rinchen Dhondup (Renqing Dongzhu), PhD, Associate Professor, Tibetan Medical College, Qinghai University
11:00–11:20	Title: Study on the characteristics of diagnosis and treatment of Hypertension and its Treatment based on Taste, Potency and Post-Digestive Taste Analysis and Reviewing Clinical Patient Records Presenter: Wenrang Dhondup (Wen Cheng Dang Zhi), PhD Student, School of National Medicine, Chengdu University of Traditional Chinese Medicine	
11:20–11:40	Title: Study on the Constitutional Theory in Tibetan medicine using Integrated Qualitative and Quantitative Methods Presenter: Luo Hui, PhD Student, Institute of Tibetan Medicine, China Tibetology Research Center	
11:40–12:00	Title: Analysis of the Medication Administration in the Treatment of Post-Stroke Sequelae in Tibetan Medicine Presenter: Gonpo Dhondup (Gong Bao Dongzhi), PhD student, School of National Medicine, Chengdu University of Traditional Chinese Medicine	
Tibetan Medicine Clinical Research (Conference Room 2, Level 3, Block A)		
10:40–11:00	Title: Clinical Observation on Cleansing Treatment Outcomes of Long-term Gallbladder Channel Flow Disease with Tibetan Medicine Presenter: Dekyi (Deji), Deputy Chief Physician Tibet Autonomous Region Tibetan Hospital	Chairs: Sonam Ngödrub (Suolang Ouzhu), Chief Physician, Director of Traditional Treatment Center of Tibetan Hospital of TAR Lumotso (Li Maocuo) Deputy Chief Physician China Tibetology Research Center
11:00–11:20	Title: Clinical Research on <i>Keldrum (mkhal grum)</i> disease Presenter: Tamdin Wangchuk (Dan Zheng Xiangxiu), PhD, Deputy Chief Physician, Director of External Therapies Department, Qinghai Provincial Tibetan Hospital	
11:20–11:40	Title: Presentation on the Status of Research on Diabetes (<i>gcin snyi za khu</i>) in Tibetan Medicine Presenter: Kelsang Choklang, PhD, Deputy Chief Physician (Bumrampa), Gansu Tibetan Medicine Research Institute	
11:40–12:00	Title: Lay perspectives on the causation and healing of mental illness in contemporary Tibetan communities in Darjeeling and Amdo Presenter: Susannah Deane, PhD, University of Bristol, UK	
12:00–13:30	Lunch Buffet	Tibet Hotel, 2nd Floor Restaurant, Block A
Renowned Physicians Experiential Exchange (Tibet Hotel, 10th Floor, Multi-Function Hall, Block B)		

13:30- 14:00	Title: The Value and Importance of Tibetan Medical Ethics Speaker: Professor Khalo, a famous elder Tibetan doctor in Qinghai Province, former director of Qinghai Provincial Tibetan Hospital, director of the Qinghai Tibetan College of Medicine	Chairs: Tsultrim Targye, Dean, Flourishing Snowland of Benefiting Beings Tibetan Medical School
14:00- 14:30	Title: On the Tibetan Medical Classic "Precious Key" Speaker: Professor Karma Tsoknyi, Professor of Tibetan Medicine, Qinghai Province, Professor of Tibetan Medicine College, Qinghai University	
14:30- 15:00	Title: Discussion on the Clinical Diagnosis of Gout and Arthritis Speaker: Katub Tsering, Renowned Physician of Qinghai Province	Tashi, Chief Physician Yushu Tibetan Hospital, Qinghai Province
15:00- 15:30	Title: Theoretical and Practical Features of Tibetan Medicine Needling Therapy Speaker: Jangba Rigo, Chief Physician, Zoige County Maternal and Child Health Hospital, Aba Prefecture, Sichuan	
15:30- 16:00	Title: Discussion on the Practices and Functional Benefits of Refining-Cleansing (<i>Tsodru</i>) Mercury in Tibetan Medicine Speaker: Tsedrub Dorje (Zezhu Duoji), Chief Physician Dege County Tibetan Hospital, Ganzi Prefecture, Sichuan	
16:00- 16:30	Open Discussion	
16:30- 17:00	Closing Summary	Jigme Phuntsok, Chairman

Please note: meal time availability as follows: Breakfast 6:30-9:30, Lunch 11:30-13:30, Dinner 17:30-19:30
(valid on the day of meal coupon)
